Training Director's Report

Hello from your Training Center!
As the health crisis of the coronavirus continues, we are dedicated to doing all we can to provide a safe and healthy learning environment for all our apprentices and members. We have established online classes for our apprentices.

Unfortunately, we regret to inform you that in the interest of health and safety, we have cancelled all upcoming Journeyman training classes. They will be rescheduled at a later date.

Nothing is more important than the health and safety of yourself and your loved ones. We urge you all to stay home when possible, avoid close contact with others, and follow all suggestions put forth by the CDC.

Please contact me if you have any suggestions or questions. I can be reached at 419-229-2775 or paul@limajatc.com

At the end of the day,
The **MOST** important
thing is that you go
home the same way
you arrived...

HEALTHY AND SAFE!

In response to Governor DeWine's order to isolate for non-essential workers, IBEW Local #32 will be following his directives.

We will be conducting most business from home. We **WILL** be available for questions.

- We will be available by phone. If you get voice mail, **PLEASE** leave a message. We will get back to you.
- We will be available by email. All email addresses are available on the website.
- We will be processing mail. You can send documents, dues payments, or notes to us through the mail.
- **WE WILL GET THROUGH THIS TOGETHER!**

STAY SAFE

The Ole' Guys

March 2020, time truly flying by. Can't really complain though, this winter has been a very good warm one.

We had a nice turn out this month and had a lot to talk about with this flu that is everywhere and all of the things that is going on to try and get rid of it. I hope that it will be out of here before too long. There is a lot more involved with it, most of it I never even thought about happening with it.

The meeting is the second Wednesday of the month, 2:00P.M. At the union hall, cookies and soft drinks provided all retirees are welcome.

Things to think about:

If a kid refuses to sleep during nap time, are they guilty of resisting a rest?

If a mime is arrested, do they tell him he has the right to talk?

If glassblowers inhale do they get a pane in the stomach?

Once you're in heaven, do you get stuck wearing the clothes you were buried in for eternity?

And finally:

One tequila, two tequila, three tequila, floor.
