The Ole' Guys

October 2019, wow where has the time gone, won't be long and we will start a new year. We had a meeting this month about politics and are trying to figure out what is going on. Most of us didn't know the answers, but we did have some interesting conversation about it.

We also had some talk about strokes and heart attacks and some of the after effects of them and we decided that we don't want any of that going on.

The meeting is the second Wednesday of the month, 2:00P.M. At the union hall, cookies and soft drinks are provided. All retirees are welcome.

Things to think about:

Why is there a light in the fridge and not in the freezer?

The easiest way to find something lost around the house is to buy a replacement.

If 4 out of 5 people SUFFER from diarrhea, does that mean that one enjoys it?

If it's true that we are here to help others, then what exactly are the others here for?

And finally:

"I am" is reportedly the shortest sentence in the English language. Could it be that "I do" is the longest sentence?

Training Director's Report

Hello from your Training Center! Just a reminder our apprentices are selling the 50/50 raffle tickets for their Christmas fundraiser and collecting food items for the Veterans Food Pantry. The barrels for the Food Pantry are at the Union Hall and the Training Center. Please consider supporting them in their efforts to help those in need this holiday season. The need for more electricians/apprentices continues to be very high, so I will continue to take apprenticeship applications and schedule aptitude testing nonstop through the year, so if you know of any good candidates please send them on to me.

As always, please contact me if you have any suggestions or questions.

I can be reached at 419-229-2775 or paul@limajatc.com
