For the 50/50 Raffle this year, the Apprentice Council has chosen to donate to the Community Emergency Response Team (CERT). CERT is based out of Van Wert County, and they help out the local police, EMS, and fire departments within their county. The team is made up of volunteers from the community, and is on call 24 hours a day, 7 days a week to provide assistance when needed. They help out during fires, severe storms, and car accidents. CERT provides a canteen area for emergency responders at scenes, and helps victims with counselling, temporary lodging, financial assistance, and clothing in the aftermath of a fire or severe storm. Take a chance on winning half of the money raised and help us support a great and noble cause with the other half!
