Training Director's Report

Hello from your Training Center! Journeyman Training classes are ongoing now with Teledata Basics taking place next on August 6th and 8th. As always, sign-up sheets for classes offered are available at the Union Hall and the Training Center. This year's apprenticeship class is full, but I will continue taking apprenticeship applications throughout the year and the next aptitude testing and interviews will be in 1 months' time, so if you know of any good candidates please keep sending them to me.

As always, please contact me if you have any suggestions or questions.

I can be reached at 419-229-2775 or paul@limajatc.com

TEN WAYS TO KILL A UNION

1. Do not come to Union meetings, but if you do show, come late.
2. If the weather does not suit you, do not come.
3. Do not attend meetings more than once or twice a year, but complain that you are never aware of Union information.
4. If you do attend a meeting, find fault with the work of the officers and other members.
5. Never accept an office --- it is easier to criticize than to do things.
6. Get sore if you are not appointed to a committee, but if you are appointed, do not attend the committee meetings.
7. If asked by the Business Agent to give your opinion on an important matter, tell him that you have nothing to say. After the meeting, tell everyone how things should be done.
8. Do nothing more than is absolutely necessary. When other members roll up their sleeves, willingly and unselfishly, using their ability and time to help matters along, howl that the Union is being run by a clique.
9. If your Local Union is struggling from a financial standpoint, be sure and muster all the help you can to vote against a dues increase.
10. Do not bother about new members ---- let the other fellow do it.

Unity
Ron Oliver

The Ole' Guys

July, already, this year is just flying by but I guess they say the older you get the faster time goes. I must be getting really old because it is really going fast.

This month's discussion was mostly about the Local contractors that we have, since none of us work anymore we just don't know how many or who they are. We had to do a little investigating to fine out and it took some time but we got it done.

The meeting is the second Wednesday of the month, 2:00P.M. at the union hall, cookies and soft drinks provided all retirees are welcome.

Things to think about:

I'm going to retire and live off of my savings. Not sure what I'll do that second week

If you died with braces on, would they take them off?

Why do they put holes in crackers?

Why do they call him Donkey Kong if he is not a donkey?

And finally:

If you put a chameleon in a room full of mirrors, what color would he turn?

R. S.

Jim Hoskins
