Training Director's Report

Hello from your Training Center! Remember to get with one of the apprentices and buy your 50/50 raffle tickets for the Christmas fundraiser, and to bring in your food items for the Veterans Food Pantry. The barrels for the Food Pantry are at the Union Hall and the Training Center.

When you are working with one of our apprentices, please take the time to fill in the comments section of their work report. It helps us in our evaluations and lets us know if there are any problems in the field. The need for more electricians/apprentices continues to be very high, so I will continue to take apprenticeship applications and schedule aptitude testing nonstop through the year. If you know of any good candidates, please send them on to me.

As always, please contact me if you have any suggestions or questions.
I can be reached at 419-229-2775 or paul@limajtc.com

UNION DUES WILL INCREASE

The Ole' Guys

November 2019, well we have had our first snow of the year and a very low temperature, I am done with that, I hope. We had a good turnout for this meeting and a lot of good visiting.

There was a lot of talk about going back to work for a while and a lot of not going back to work... mostly not going back to work, but we do have the option. One of the guys just got his hours in and quit the day before the meeting.

The retirees would like to wish everyone a happy holiday SEASON, and hope everyone has a great time of year.

The meeting is the second Wednesday of the month, 2:00P.M. At the union hall, cookies and soft drinks are provided. All retirees are welcome.

Things to think about:

The easiest way to find something lost is to buy a new one.

Words that soak into your ears are whispered...not yelled.

Meanness don't jes' happen overnight.

You cannot unsay a cruel word.

And finally:

Timing has a lot to do with the outcome of a rain dance.
