GO HOME AND CALL US!!!!

The Ole' Guys

We're hoping to see things get back to normal in July! Until we can all get together again, stay safe and healthy! And if we do get to have a meeting in July... It's the 2nd Wednesday of the month at 2:00pm. And yes... there will be cookies! ~ Penny

Things to think about:

Before they invented drawing boards, what did they go back to?

How do they get the deer to cross at that yellow road sign?

Why didn't Noah swat those 2 mosquitoes?

Why is it you must wait until night to call it a day?

Do fish get thirsty?

If humans get a charley horse, what do horses get?

And finally:

If rabbits' feet are so lucky, what happened to the rabbit?

Training Director's Report

Hello from your Training Center!

Summer is upon us, and we are busy preparing for the start of fall classes. We are continuing to monitor state and federal policies and rules pertaining to the Covid-19 pandemic. We will keep you apprised of any changes to class structure and schedules.

We are excited to announce an upcoming Journeyman Kirby Risk Motor Troubleshooting class scheduled for Monday, October 26th at 6:00pm. This is a 3 hour class and will pay \$200.00.

Please contact me if you have any suggestions or questions.

I can be reached at 419-229-2775 or paul@limajtc.com
