**The Ole' Guys**

August already, doesn't seem right, but it is. We had a nice visit from our Business Manager Brett Stein. He gave us a run down on the election, who won and how many voted and so on. It was very informative. We also had a very good meeting, discussions about all sorts of things, trying to get caught up.

The meeting is the second Wednesday of the month, 2:00 P.M. The September meeting will be at the **JATC TRAINING CENTER 2285 N. COLE ST LIMA.OHIO AT THE SAME TIME 2: PM.** This will probably a onetime meeting there. Hope to see a good crowd there.

**Things to think about:**

Why is vanilla ice cream white when vanilla extract is brown?

Do they have the word "dictionary" in the dictionary?

Why the little Styrofoam pieces are called peanuts?

Why are there interstate highways in Hawaii?

**And finally:**

Why is it that when we "skate on thin ice", we can get in hot water?
