Training Director's Report

Hello from your Training Center!

We are looking forward to seeing our apprentices return to the classroom this fall. It will be good to see our returning apprentices as well as welcoming the new ones.

Save the date! An upcoming Journeyman Kirby Risk Motor Troubleshooting class is scheduled for Monday, October 26th at 6:00pm. This is a 3 hour class and will pay \$200.00.

Please contact me if you have any suggestions or questions.

I can be reached at 419-229-2775 or paul@limajatc.com

GO HOME AND CALL US!!!!

The Ole' Guys

July, 2020, first meeting we have had since March. We had a nice turn out and an awful lot to talk about. Of course most of the visiting was about the virus and all of the other things that are happening because of it the, opening and closing of the work places, eating places, beaches and so on. We hope this thing runs its course and we can get back to normal.

It was nice to be able to get together and see the guys again, I hope it continues.

The meeting is the second Wednesday of the month, 2:00P.M. At the union hall, cookies and soft drinks provided all retirees are welcome.

Things to think about:

At my age "Getting lucky" means walking into a room and remembering what I came in there for.

Why is it called a funny bone, when if you hit it, it's not funny at all?

Why can't donuts be square?

Why are dogs noses always wet?

And finally:

Why do people say "heads up" when you should duck?
