The Ole' Guys

September already, it doesn't seem right, but it is. This month we had our meeting at the JATC training Center and had a nice tour from Paul, our training director, and let me tell you we were all impressed by all of the tools and equipment that they have for the Apprentices. If you remember what we had when we went through our apprentice training, you should call Paul and set up a time to go and see the training center now and be awed by what is there. I am sure you will be amazed.

The meeting is the second Wednesday of the month, 2:00 P.M at the union hall. We have cookies, coffee, or soda. All retirees are welcome and we would like to see you guys.

Things to think about:

At a movie theater which arm rest is yours?

Where does the toe tag go on a dead person if they don't have toes?

Do dentists go to other dentists or do they just do it themselves?

Is it rude for a deaf person to talk (sign) with their mouth full of food?

And finally:

When does it stop being partly cloudy and start being partly sunny?

R. S.

Jim Hoskins

Training Director's Report

Hello from your Training Center!

The Apprentice school year is officially underway! I'm excited for our Apprentices as they begin the next step in their journey towards becoming skilled and knowledgeable Journeyman. As they travel this road, please offer them your support, share your knowledge and skills, and show them the true meaning of Brotherhood.

An upcoming Journeyman Kirby Risk Motor Troubleshooting class is scheduled for Monday, October 26th at 6:00pm. This is a 3-hour class and will pay \$200.00. We still have spots open for this class. Contact myself, or the hall to register.

Please contact me if you have any suggestions or questions. What classes would you like to see offered?

I can be reached at 419-229-2775 or paul@limajatc.com
