Dear Brothers and Sisters,

I firmly believe that two heads are better than one... four heads are better than two. As we work together in solidarity, our combined perspectives are the best weapon we have to fight for a better market share in our district. Our collective ideas and efforts are the best tools we have to negotiate a new contract this year. I respectfully ask all our members to contact me, call or visit the hall to share your ideas and suggestions. I ask that anyone who has an interest is helping us with planning and negotiations to please contact me at the hall. By working together in Brotherhood, we can further our pursuit of better benefits, working conditions and pay for us all.

Fraternally,
