Training Director's Report

Happy New Year from your Training Center!

I am working on scheduling new classes throughout the upcoming year. Your thoughts are important to me. What classes would you like to see offered? Have you heard of any new training that interests you? Please contact me if you have any ideas, suggestions or questions.

As the world changes, so must our ways of learning. The JATC is still offering **OSHA 30** online as a JFT class for any JIW that wants to sign up. There is a \$500.00 participation award upon completion. Please get in touch with me if you are interested.

I can be reached at 419-229-2775 or paul@limajtc.com

SO THANKFUL TO BE UNION!

The Ole' Guys

December, 2020, I hope that this year will finally be over and maybe 2021 will be a lot better year. The retirees would like to wish everyone a very safe and a Merry Christmas and Happy New Year.

We had a nice visit at the meeting this month with a lot of things to talk about and most of it about getting this year over and back to hopefully a normal time!!

The meeting is the second Wednesday of the month at 2:00 pm at the Union Hall. We have snacks soft drinks and coffee. Any retiree that wants too can join us.

Things to think about:

Why is it that on a phone or calculator, the number five has a little dot on it?

Do Siamese twins pay for one ticket or two tickets when they go to movies and Concerts?

If a bald person works as a chef at a restaurant, do they have to wear a hairnet?

Do prison buses have emergency exits?

And Finally:

If parents say, "Never take candy from strangers" then why do we celebrate Halloween?
