The Ole' Guys

January 2021, finally 2020 has left us and I think everyone is well pleased with that... didn't think it was ever going to be over. We had a nice get together Wednesday and enjoyed our meeting.

We talked about a lot of the bigger retail stores going out of business and we don't really like that, most of us would like to see what we are buying before we buy it. Ordering on-line is not the best way for us to get something we have not seen yet.

We would like to invite all retirees to come to the meetings and give us your opinion. Of course, we also talked about the new vaccine and when do we get.

The meeting is the second Wednesday of the month, 2:00 P.M at the union hall. We have cookies, coffee, or soda. All retirees are welcome, and we would like to see you guys.

Things to think about:

If Mars had earthquakes would they be called mars quakes?

Did Noah have woodpeckers on the ark? C If he did, where did he keep them?

How do you handcuff a one-armed man?

What happens to an irresistible force when it hits an immoveable object?

Are children who act in rated "R" movies allowed to see them?

And finally:

When sign makers go on strike, is anything written on their signs?

Training Director's Report

Are you ready to make this a great year!

The First Journeyman class we are offering for 2021 is First Aid/CPR. Each class is open to 15 members. The first will be Wednesday, February 17th at 5:00pm. The next will be Wednesday, February 24th at 6:00pm. Make sure you get your application completed and turned in for these classes. Is your First Aid/CPR Certification up to date?

We have had 24 people sign up for the OSHA 30 class. However, 10 of those people have not logged in yet. If you have not received an email from Click Safety, please call me so I can help.

I can be reached at 419-229-2775 or paul@limajatc.com
