- **Must not have already been awarded grants or scholarships in the amount of \$2,500.00 or more for this year.**

**CALL THE HALL FOR AN APPLICATION**

**The Ole' Guys**

Our February meeting had just enough members to have a meeting. We discussed things about our eyes, some of the things you have wrong with your eyes and the cost of glasses. Since there was such a small group, the only other thing we talked about was the shots that everyone will take at some time.

The meeting is the second Wednesday of the month at 2:00PM at the Union hall, all the retirees are welcome, and we hope more of you can come.

**Things to think about:**

I'm at the age where my train of thought often leaves the station without me.

Another Friday night in the house & I just realized, even the trash goes out more than me.

Sitting on a fence can only ever get you one thing, splinters.

You will become what you tell yourself you are.

**And finally:**

The Hokey Pokey Clinic, a place to turn yourself around.

See you at the next meeting,

R. S.

*Jim Hoskins*

**Training Director's Report**

Greetings!

We have had people express a need for the First Aid/CPR class, yet I have not had anyone sign up. Journeyman Training is available for those who are interested. A stipend is paid for each class to all who qualify. You can pick up an application at the Hall or the JATC Training Center. Or you can call us and we can email the application and rules to you. All you need to do is fill it out and submit it to us in a timely manner. This is an excellent way to keep your training up to date while getting paid for it.

We still have openings for the OSHA 30 class. If you have signed up and not logged in yet, please contact the training center. If you have not received an email from Click Safety, please call me so I can help.

I can be reached at 419-229-2775 or [paul@limajatc.com](mailto:paul@limajatc.com)
