Training Director's Report

Greetings!

It's great to see the sun again! We are currently taking applications in preparation for the next Apprenticeship class. If you know someone who might be a good candidate, have them call me and set up a time to meet.

I am working on some classes for JIW's in the near future. A 16 hour Code Update class is coming in September, with special instructors. It is sure to be a class you won't want to miss. And it pays \$500.00. Keep an eye on the newsletter for more information!

We still have openings for the OSHA 30 class. If you have signed up and not logged in yet, please contact the training center. If you have not received an email from Click Safety, please call me so I can help.

I can be reached at 419-229-2775 or paul@limajtc.com

\$1000.00 Scholarship

CALL THE HALL FOR AN APPLICATION

The Ole' Guys

March already and I am glad of it. It's time for the sunshine and warm days. We had a real nice turn out this month, it made up for last month.

The meeting is the second Wednesday of the month at 2:00PM at the Union hall, all the retirees are welcome and we hope more of you can come.

Things to think about:

At what age do you think people stop saying that you're too young to die?

Isn't it about time that we made a word that would rhyme with orange?

Does expanding highways just make traffic worse?

Do humans have free will or just think that they do?

And finally:

Where do socks missing from the dryer go?

See you at the next meeting,

R. S.
