The Ole' Guys

May is here and we are happy with it. We had a real nice day Wednesday. We talked a lot about old age and how we are all having old age and all the pain that goes with it. We were surprised that we about all have the same things going on. Most of us have been to a Dr, somewhere for the aches and pains.

The meeting is the second Wednesday of the month at 2:00PM at the Union hall, all the retirees are welcome and we hope more of you can come.

Things to think about:

If a turtle doesn't have a shell, is he homeless or naked?

Why don't sheep shrink when it rains?

Never underestimate the power of stupid people in large groups-

Age is a very high price to pay for maturity.

And finally:

Woman like silent men, they think they're listening.
