Training Director's Report

I'd like to wish you all a happy Thanksgiving!

Classes are in full swing and Apprentices have been going out to work. Things are looking up!

We are excited to see many of our members taking advantage of the new online Journeyman classes that are now available. Check out the list on the back of the Death Benefits page.

We hope to add more classes, both in person and online as they become available.

Again, if you have any thoughts or ideas or classes, please let me know.

IMPORTANT CHANGES ARE COMING SOON!

The Trustees for IBEW Local 32 have decided to replace our 3rd party administrator for the Pension & Annuity. Zenith American will be replaced by TIC International Corporation effective January 1, 2022. Please watch your mail for correspondence from TIC International Corporation. It is important that you pay attention to communication from them in order to make this transfer run smoothly. If you have any questions, please contact the hall.

Thank You
FOR YOUR HELP

The Ole' Guys

Today we shared lots of laughter. We all had funny stories about the jobs we had worked, people we had worked with, and some of the crazy times on the job. It was a good time!

I hope to see you on the 2nd Wednesday of the month at 2:00pm. We always have refreshments and good conversation!

Things to think about:

Why do people say that they "slept like a baby", even though a baby wakes up every two hours during the night?

Why is it that when you're driving and looking for an address, you turn down the volume on the radio?

Do fish get thirsty?

Why does fat chance & slim chance mean the same thing?

Should vegetarians eat animal crackers?

Is "cute as a button" really a compliment?

If ignorance is bliss, why aren't more people happy?

When butterflies get nervous, do they feel people in their stomach?

Until next time, Have a WONDERFUL Month!!!
