Your benefits are paid monthly from your contractor through the NECA office. If you are working through another local, your benefits reciprocate back to your home local through ERTS. It takes a little longer but keeping your benefits with your home local makes sense.

What you may not know is that it is YOUR responsibility to check your statements, check your balances and contributions. Your pension, annuity, and health and welfare accounts should be monitored by you. If you find a discrepancy, give us a call!

The Ole' Guys

We had a small group at this month's meeting. It's always good to get together with old friends. I hope to see more this month. The hall provides snacks for the meeting. It's a good time.

I hope to see you! The 2nd Wednesday of the month at 2:00pm.

Things to think about:

How does Tarzan not have a beard?

Did Adam and Eve have belly buttons?

How come you can drink a drink but can't food a food?

If it's zero degrees today and it's supposed to be twice as cold tomorrow, how cold is it going to be?

I wonder what my dog named me?

A fine is a tax for doing bad. A tax is a fine for doing good.

Until next time Have a WONDERFUL Month!!!
