Training Director's Report

I'm very proud of our Apprentice Council for, once again, pulling together a community works drive that will help both needy children, and those who fight cancer. A huge "Thank You" to all the apprentices working on it. Don't forget to get your 50/50 drawing tickets from an apprentice, or there are also some available at the hall to buy.

I have been working to set up some new classes for Journeymen. I will have more information on this next month.

As always, please let me know if you have any ideas or suggestions for classes. I wish everyone a wonderful holiday season.

The Ole' Guys

We had a small group but made LOTS of noise! We had some lively conversations about politics, old jobs, good times, and people we haven't seen in a long time. I hope some more of you "Ole Guys" will make it to our meetings in the future. We have refreshments and a very good time. The 2nd Wednesday at 2:00pm at Local 32 Hall.

Things to think about:

What hair color do they put on the driver's license of bald men?

Why do they put Braille on drive through bank machines?

If Barbie is so popular, why do you have to buy your friends?

In a country of free speech, why are there phone bills?

Why aren't there "B" batteries?

If I melt dry ice, can I take a bath without getting wet?

Why do hot dogs come 10 to a package, and hot dog buns only 8?

Until next time, Have a WONDERFUL Month!!!
