Dear Brothers and Sisters,

I would like to thank all the members who showed up at the meeting this month. I am hopeful that in time, we can see many more members joining in your Union Meetings.

We should be hearing if the Birch Solar Field is getting approved or not soon. There may be a lot of work coming at Honda Anna, East Liberty & Marysville this year.

Next month, at the March meeting, we will have the vote on the allocation of funds. With the Insurance rate increase coming up in June, we will need to vote on how to pay it. I hope you will all take part in decision making process for the upcoming allocation.
