Training Director's Report

Fire Alarm classes for JOURNEYMEN is scheduled!!!
August 16th & August 18th...6:00pm – 9:00pm at the JATC Training Center. **\$250.00 Stipend!**

The **NEW First Aid/CPR class** will be a blended class. The bookwork will be done online. Once we have 8 people who have completed the online portion, we will schedule with the Red Cross for the “hands-on” part of the training. Online will be approximately 3 ½ hours, in person will be 2 ½ hours. This will be a more effective class, and the Stipend will be **\$300.00** once completed.

We are in the process of setting up Instrumentation classes for the Journeymen. We have not had Instrumentation classes for a long time, so I hope you will take advantage of this opportunity.

And don't forget to check out the Training Page! Lots of great training for you with a stipend for each one you complete!

Again, if you have any suggestions for classes, please let me know.

The Ole' Guys

The June retirees meeting was larger than expected. With the weather getting warmer and the 'snow birds' returning, I thought many would be golfing, gardening or even 'honey-doing'. Nevertheless, a good number attended and conversations ranged from the war in Ukraine, to the Uvalde, Texas shootings, utility rates, gun laws, old friends who had passed and their related job stories. It is really enjoyable to talk on varying subjects in a non -confrontational environment and hear and discuss things, things you never knew or realized.

We were blessed again with no moment of silence for a deceased brother or sister. As we all get older, we should take the time to reflect on our journey and the great people we have met along the way. So, I again ask that you take time and join us on July 13 at 2PM.

"An effort made for the happiness of others lifts us above ourselves."

In Solidarity,

Florian Smith
