Training Director's Report

I am sorry to say that this year's Trunk or Treat has been cancelled due to a lack of volunteers.

I'm happy to say the new apprentices are off to a great start! Every first-year apprentice is out and working! All of our apprentices are working, with the exception one that is on medical leave. Let's keep up the good work!

We are currently 2 participants away from scheduling the "Hands-on" portion of the First Aid class. We need a minimum of 10 to schedule. If you need to update your First Aid/CPR class, get the online portion scheduled. The "Hands-on" will be scheduled as we get enough people who complete the online class. The Stipend will be **\$300.00** once completed.

Don't Forget to check out all possible new classes on the back of the Training Page. These classes, if implemented, will enhance skills you may already have, and provide you with some new ones. Lots of great training for you with a stipend for each one you complete!

As always, if you have an idea for any new training, please contact me.

The Ole' Guys

Another very enjoyable afternoon was spent with old friends this month. There were folks we hadn't seen in quite a while, and they seemed to enjoy the afternoon as well. We shared the hall with the negotiating committees and remembered the days when we were involved. We recalled difficult negotiations, but we always ended as friends. We wished the current committees the same results. Discussion topics ranged from the advantages and disadvantages of credit and debit cards, rental rates of So. Carolina beach houses, the cost of Viking cruises and the advantages of spending vacation time on the topless beaches of Cancun. Those who DID NOT attend missed a lot, please consider joining us on October 12th for an afternoon of camaraderie and memories.

Beautiful young people are accidents of nature, but beautiful old people are works of art. – Eleanor Roosevelt
