# Apprentice Graduating Class of 2022!

Tyler Baxter, Paul Behrens, Gregg Sharp, Wyatt Place, Michael White, Nathaniel White, Meredith Hall, Brandon Hollman (Not Shown).

Special Honors go to Meredith Hall for Outstanding Apprentice!

## Training Director's Report

I'd like to send a huge "ATTA BOY" to our 2022 Graduating class of Apprentices. I couldn't be prouder of these fine Journeyman Wiremen! And a HUGE Shout out to Meredith Hall for being chosen Outstanding Apprentice of 2022!

Once more our Apprentices have shown their Community Spirit by organizing holiday Food drives for the Veteran's Food Pantry and Meals till Monday. If you don't have a chance to bring your non-perishable food donations to the hall or the training center, you can bring them to Westgate Lanes for the party!

Additionally, We are pleased to announce that the other 50% of the 50/50 drawing is going to the Marimor Legacy Foundation towards the building of new bathrooms at the ARC of Allen County's Camp Robin Rogers. If you haven't gotten your 50/50 tickets yet, there will be tickets available at the December 3<sup>rd</sup> Christmas Party.

As always, I look forward to hearing your ideas about new trainings. Check the training page for new opportunities. I wish everyone a Very Merry Christmas and a Happy New Year!

## The Ole' Guys

The Local 32 retirees met in November and, as usual, had a boisterous and far-reaching conversation. But as is the case with us old guys, two regular attendees were at the VA in Columbus for tests and another was participating in a sleep study, (many of us participate in that, but no one studies us). We determined what life would be like if we would win the \$ 1.6 BILLION Power ball lottery and decided at our age it would be more trouble than it would be worth. We related many remembered job stories, as usual it took most of the meeting to remember the names of the electricians in the stories. Jehovah's Witnesses, interest rates, the elections and our aches and pain were also discussed.

Looking forward to seeing many of you at Milano's on December 14th.

In Solidarity,

*Florian Smith*
