Training Director's Report

I'd like to congratulate the following apprentices who have demonstrated hard work and dedication to graduate the apprenticeship! Please congratulate Samuel Brown, Brent Cavanaugh, Cameron Cimarolli, Boston Hensley, Timothy Hudson, Jordan Maag and Wyatt Place for becoming Journeymen Electricians!

We have finally worked out the details on the upcoming Instrumentation Class that will be starting late August and run through November. Class will meet 10 nights a month. Registration is now open for the class. The 8 will be selected on a first come, first serve basis. Anyone who applies beyond the first 8 will be put on a waiting list for future classes.

As always, please let me know if you have any ideas or suggestions for classes.

CODE UPDATE

Class for JIW

**When: TUE. WED. & THUR.
JUNE 20, 21 & 22
6:00 PM–9:00 PM**

**Where: JATC Training Center
2285 N. Cole St.
Lima, OH 45801**

\$500.00 PARTICIPATION AWARD!

The Ole' Guys

The May LU 32 Retirees met on May 10, in spite of the incorrect date I put in the April newsletter. 8 retirees attended in spite of that and a beautiful spring Wednesday afternoon. We all were happy that there were no brothers that had passed in the past month. Discussions ranged from electric and natural gas aggregation and their pros and cons to the good health of the pension plan, to the passing of the daily Lima News.

The idea of a LU 32 veterans' plaque was again mentioned.

I know good weather is coming and golf is calling, but one day, 1+ hour a month, would brighten your psyche and possibly meet an old friend. There will always be sunny days and golf, but days spent with friends are not guaranteed. **See you on June 14.**

The universal brotherhood of man is our most precious possession. --Mark Twain

In Solidarity,

Florian Smith
