Training Director's Report

Summer is in full swing with heat and humidity making a daily appearance. Remember to stay hydrated by drinking plenty of water!

We are excited to be setting up interviews for more Apprentices within the next few weeks. If you know anybody who is looking to make a change in their career, or to start out with a new career, send them my way so they can begin the process of learning a great new profession in the IBEW.

Instrumentation classes are starting soon. If you didn't get signed up in time for the first class, let me know. We are looking at adding another class if there is enough interest.

As always, please let me know if you have any ideas or suggestions for classes.

IT'S ON!

**The Labor Day Parade &
Celebration is back!!!**

Meet at the Hall at 8:00am,

Monday, September 4th.

**We will meet back at the Hall for
a cook-out after the Parade!**

The hall will supply the meats.

**We ask everyone to bring a covered
dish!**

Sign Up at the Hall!

The Ole' Guys

The Local 32 Retirees met in July, again with small numbers. While the attendees were few, the conversations were lively and informative. If you are a veteran, much more information was outlined on new benefit opportunities and existing VA programs. Much time was spent on discerning Ohio Issue 1 and its effects. Be sure to vote on August 8th. All of us being retired, the subject of cataracts, Medicare and glasses was raised. There were many helpful experiences that were shared. We will meet again on August 9th, 2 PM, and I invite you to attend and share stories and names of old friends or bring current 'senior' experiences that would help others.

If there is any kindness I can show, or any good thing I can do to any fellow being, let me do it now, and not deter or neglect it, as I shall not pass this way again. --William Penn

Florian Smith
