Training Director's Report

I am excited to announce that we have added 4 new classes to our Journeyman Training curriculum. In our ongoing effort to provide more continuing education classes to our Journeymen, we have added Harassment Prevention, Applied Codeology 2023, Conduit System Fabrication and Construction Drawings.

In addition to these new classes, we are still looking into adding more new classes including CDL – Class A and Welding classes to our Journeyman Training curriculum. We are still trying to gauge interest, so please let your thoughts be heard.

As always, let me know if you have any suggestions.

The Results Are In!

\$1.60 Raise
\$1.00—Pension
\$0.50—Check
\$0.10—Annuity

**We would like to thank
Everyone who came to the
meeting October 16th, and
participated in the Vote!**

*****New wage sheet will
take effect
Monday, December 4th, 2023*****

The Ole' Guys

As the air conditioners begin to be turned off and the weather cools, fall is telling us that another year is about to pass. Vacations and trips are coming to an end and only the 'snowbirds' are headed south.

Fall did not deter the LU 32 retirees from an enjoyable afternoon of camaraderie and friendship. Seems as us ole guys never seem to run out of topics to talk about. Subjects ranged from Covid, RSV, shingles and flu shots to lawyer fees charged upon death, to the pluses and minuses of buying gold or silver, to the UAW strike. One old guy even brought in a 3/4 inch pipe and bender to demonstrate how reality creeps in as we age. Thru all of that, we had a great time and I invite you all to join us on November 8th @ 2 PM. If you are not there, we'll probably talk about you!
