Dear Brothers and Sisters,

I'd like to take a moment to thank the members who came and participated in the Union Meeting. The Union works best when we ALL participate.

For all your information, Dues for all classifications will be increasing by \$1.00 on July 1st, 2024. Please take this into consideration when writing your checks for the upcoming year.

We are looking at more work coming up soon. NKC has work at Honda – East Liberty beginning at the end of March. Transtar Electric is picking up more work at Techni-Plex in Van Wert, OH. Keep checking the job line for more information.

I'd like to encourage everyone to schedule an appointment with John Hancock on March 14, 2024. The one-on-one meetings will give you a greater understanding of how your Annuity is managed and grown. This is your chance to ask those questions you've been wondering about!

Fraternally,
