Training Director's Report

In our ongoing effort to provide continuing education for all our members, we seek to provide training that will sharpen your skills and advance knowledge in new innovative areas. Additionally, completing these classes is a great way to collect additional money in the form of an attendance bonus. Please review the class list and let me know which classes you would like to take.

Keep an eye out for the announcement of **LIVE** First Aid/CPR classes. You have time to take the online portion now. There are 3 open spots for the live class on April 29th, and 5 spots open for May 2nd. Please let me know which class will work for you when you sign up for the online class.

We still have a couple openings for the Welding and CDL classes which will be starting this summer. As always, let me know if you have any suggestions.

Will YOU Be Ready?

Find out!

A John Hancock Representative will be here to hold One-on-one meetings with YOU

March 14 2024 from noon—6:00pm.

After the one-on-one meetings,

There will be a general informational

Meeting from 6:30pm—7:30pm

Call the Hall to Schedule your

Personal meeting.

All Meetings

will be held the JATC Training Center!

The Ole' Guys

The Local 32 Retirees met again in February and had a very robust turnout. The conversations were just as lively. I was again amazed about just how much you can learn from a group of old electricians. I learned how to lower my cell phone fees, the 'ins and outs' of Sirius XM Radio and how baby powder was used in wire pulls. A couple of retirees shared several funny stories about how they were occasionally foreman over each other.

All in all, many old friends were recalled, and new remembered stories were told. Sharing these things are a wonderful means of recalling a lifetime of friendships, hard work and of making a difference.

Thanks to the Local for the always tasty snacks provided. Join us March 13 @2PM for an always enjoyable afternoon.

Florian Smith
