**Training Director's Report**

This is an exciting time for the JATC Training Center and students. April 30<sup>th</sup> is rapidly approaching, marking an end to classes for the Apprentices until the fall. For some, this is a new beginning as Journeymen. Make sure you congratulate our fine new Journeyman! They have worked and studied hard to achieve Journeyman status!

We are looking to celebrate our graduates with a graduation ceremony at Dick's Steakhouse in Kalida on June 13<sup>th</sup>.

We have many fine applicants for the program, with testing dates filled up on May 1<sup>st</sup> & 2<sup>nd</sup> We are in the process of filling the schedule for May 3<sup>rd</sup> right now. If you know of anyone who is interested in our program, please send them soon.

We are still offering many continuing education classes for Journeyman. Many of these can be done at home through your computer.

As always, let me know if you have any suggestions.

**The Ole' Guys**

As usual, the April retirees meeting was varied, insightful and educational. Subjects ranged from current net LU32 wages and benefits, how local school taxes are applied, the rising costs of car and home insurance due to coastal property damages, tinnitus remedies, how hybrids work and get up 46 mpg and lastly how good the snacks are.

Again, I ask you to join us remembering old friendships on May 8th at 2PM. Remember, if you're not there we'll probably talk about you.

Don't be afraid your life will end; be afraid that it will never begin. --Grace Hansen
