Training Director's Report

It's not too late! We can still take a few more into the Welding and CDL classes! Deposits for the Welding class are due before April 26, 2024. Class will run May 7th thru August 13th on Tuesdays and Thursdays, 6:00pm – 10:00pm. Deposits for the CDL Class are due by June 21, 2024. In class portion of the class will be July 8 – July 12th, Monday thru Friday – 5:00pm – 10:00pm. There will be 2 groups assigned for the driving portion – your group will be assigned. **YOU MUST HAVE YOUR CDL TEMPORARY PERMIT BEFORE CLASS STARTS ON July 8th.**

We are still offering First Aid/CPR classes online, followed by a “hands-on” portion at a later date. As you know, some jobsites require a current First Aid/CPR certification. Please make sure your First Aid/CPR is current.

As always, let me know if you have any suggestions.

The Ole' Guys

The Retirees met again this month on what turned out to be a very 'spring like' day, only to be followed a few days later by an inch and a half of snow as I write this note. Typical Ohio weather, but glad we weren't still working in weather like that.

Great turnout, great conversations that ranged from low water in the Panama Canal to eclipse glass free locations to realizing old guys have money they will never spend and who and how to set up a trust. I only wish more of you fellow retirees could find time at 2 PM on the second Wednesday of every month. Next meeting is April 10th, to share facts, stories, fellowship, and old friends.
