Dear Brothers and Sisters,

The T-shirts are ordered... the meal is planned... candy is on the way.... The only thing left is YOU! We invite ALL our members and their families to come CELEBRATE LABOR DAY with us. We will supply the meat; we just ask you to bring a side dish. We line up for the parade at 8:00am and we will celebrate our Brotherhood with a meal at the hall after the parade! It's always a great time, and we hope to see you all there!

We currently have 36 open calls at the hall. These calls are offering incentive pay, 15% hourly wage increases, and overtime hours. If you are traveling and would like to spend the summer at home, this is a great opportunity. If you are at home and not sure if you want to go back to work... think of all the things you could do with the extra money. Any way it goes, we hope to put our fine electricians out to work in our Local soon.

Your work is going to fill a large part of your life. When you are on the job, you are representing not only your contractor, but also the IBEW. Your professionalism on the job elevates your position, your contractors, and the IBEW in the eyes of customers. Showing dedication, efficiency, and good judgment in the workplace can advance everyone, leading to better opportunities for all. The choices you make affect much more than just you. When you engage in misconduct on the job, it reflects on you, your company and the IBEW. Consequences can be much further reaching than you imagine.

*"You are free to make whatever choice you want, but you are not free from the consequences of the choice." - Unknown*

Fraternally,
