**Training Director's Report**

There are many classes available for Journeymen to take. You can make some extra cash for the holidays and expand your skills/knowledge at the same time!

We will be doing another Aptitude Test on November 6<sup>th</sup>. If you know anyone who might be interested in becoming an electrician, have them contact me.

Our new building is nearing completion! I'm looking forward to having more classrooms and more room for labs! Stop on by and take a look at our great, state of the art, training center.

As always, if you have any ideas or suggestions, feel free to contact me.

**The Ole' Guys**

With Veteran's Day coming up on November 11<sup>th</sup>, I guess it's only fitting that many of our conversations were about our many travels through the military.

Retiree Jimmy Reynolds told us about the recent Honor Flight Trip he took to Washington D.C. Veterans were treated to a flight, a very nice dinner, an honor ceremony and a flight back. It was a memorable experience, and Jimmy suggests all Veterans should sign up to receive this commendation.

We also discussed the many different jobs we had, both at home and traveling. Things have changed quite a bit since most of us were working in the field, both with the job itself and the wage packages that are offered.

We are excited to announce that the Retiree's Holiday Luncheon will once again take place at Milano's Café on Wednesday, December 4<sup>th</sup> at noon. I hope to see you all there!

"We, too, born to freedom, and believing in freedom, are willing to fight to maintain freedom. We, and all others who believe as deeply as we do, would rather die on our feet than live on our knees." —Franklin D. Roosevelt
