Dear Brothers and Sisters,

It's always good to see you at the Union Meeting! Jared works hard to prepare some good food for the meeting. Make sure you thank him when you see him! I'd also like to Thank those who help him and take care of clean-up too!

Work has been slowing down recently, but I look for a rebound within the next couple months. Keep your eyes on the jobline. We would like to bring everyone home!

Don't forget to check out the classes on the Journeyman Training pages. Check your First Aid/CPR classes to make sure it is not expired. Check out the new classes offered and call Paul to let him know if you are interested in attending any of the classes we are considering. Education / Training is the very best investment you can make in yourself.
