Training Director's Report

Make sure you CHECK OUT the Journeyman Training section of the newsletter! We have added some new classes and would like to have your thoughts on some others.

Have you checked your First Aid/CPR certification date lately? If you are expired, please contact me so you can get the next class scheduled.

If you missed the first **CDL - class** at Apollo, don't dismay. We are discussing offering this class again. We must have 8 participants to get it scheduled. Please call the training center for details.

As always, if you have any ideas or suggestions, feel free to contact me.

The Ole' Guys

Only 3 retirees met on an absolutely miserable afternoon in February. It was one of the most rewarding experiences we all had. We remembered the true sense of brotherhood that we had experienced over the years of work in the trades.

I had arranged a Face time call with a beloved brother who was too sick to attend our meeting but wanted to say hello. As you probably know, that retired brother, John McLoughlin, has passed. It was a truly moving conversation. It reminded me that you just can't make old friends.

I remind all you brothers and sisters, enjoy the friends you make and work with. When those work days are gone they will be there to remind you of the jobs and good times you shared together. Join us on March 12th @ 2PM, and let someone finish a story you started
