IF YOU MAY EVER HAVE TO FILE UNEMPLOYMENT

READ THIS!

The Unemployment office has made some changes. Every week, we receive an e-mail from the Unemployment Office. They send me a list of Local 32 members who have filed unemployment.

They ask me the following questions:

- Is the person filing unemployment in good standings with the union?
- Is the person filing unemployment on your out-of-work book?
- Has the person filing unemployment refused any jobs?

WE JUST THOUGHT YOU SHOULD KNOW.

DUES FOR 2025.

The Ole' Guys

The April Retirees meeting was different than any that we have had before. But it was also one of the most satisfying that I have ever attended. A good number of retirees gathered to celebrate the life and mourn the passing of a fellow electrician, with his family in attendance. It pointed out to me the true meaning of 'brotherhood' and how important that is in our lives. The gathering demonstrated that those we work with are not only coworkers, but true friends. It pointed out the need for caring for each other and realizing we are all the same, regardless of our varying opinions. In these days, it is time to take the time to appreciate the brothers and sisters you work with, as they believe in the same basic work ethics, morals and ideas as you. Make the effort, these friendships can last a lifetime.

"Brotherhood is an understanding that when we lift each other, we all rise."
