The Ole’ Guys

It sure seems that the older we get the faster time goes by. I swear the April retirees meeting was just two weeks ago. Nonetheless, we had a great attendance of ten retirees this month.

There was good discussion, on various topics, amongst us all. It ranged from farming and planting, to how long it takes to raise chickens, then to the current work situation and various surrounding local’s pay packages. Much discussion ensued about the current pay scales. It was finally determined that we had ALL been born 20 years too early, but no one volunteered to go back to work.

Come join us on June 11th @ 2PM with old friends and good conversation.
