Dear Brothers and Sisters,

WORK IS COMING!!! There are a number of HUGE projects on the horizon. We anticipate many good jobs for the next several years! Our challenge will be to get the manpower to fill the calls. We encourage those traveling to consider coming home to sleep in your own bed, spend time with your families, and support your home local while making a lot of money!

We are excited to take part in the Labor Day Parade again this year. We have the shirts and the candy and are planning on enjoying some delicious food at the hall afterwards. We are supplying the meat. We ask that you all bring a side dish. Let's celebrate Labor... Let's celebrate you!
