TRAINING DIRECTOR'S REPORT

It's hard to believe that Summer is almost over! It's been a hot one, but we've made it through!

Apprentice classes begin on Tuesday, September 2. We have some outstanding new apprentices coming into the Union this year. Please make them feel welcome and share your skills and insights with them.

Once more, I would like to remind you of the many classes that are available, both online and in person. Continuing Education, updating and refreshing your skills and certifications, can only benefit you in the future.

I look forward to seeing everyone at the Labor Day Parade! Apprentices can earn Community Service points by attending and helping, and it's sure to be a great time for everyone!

As always, if you have any ideas or suggestions, feel free to contact me.

*A John Hancock Representative will be at the
JATC Training Center to hold One-on-one
meetings with YOU*

*September 15th from noon—6:00pm After the
one-on-one meetings,*

*There will be a general informational
presentation at the Union Meeting that night.*

*Call the Hall to Schedule your
Personal meeting.*

The Ole' Guys

Another fine turnout of IBEW 32's finest retirees attended our August meeting. As usual the topics discussed were interesting and varied.

One of the topics was the future of (AI) Artificial Intelligence. We talked of how many complex and highly educated, college needed, careers may be eliminated in the future due to AI. While we agreed that could happen, it was agreed that the actual skilled workforce needed to construct many of those AI created projects will become more important than ever. We talked of how the IBEW's current and future plans of an educated and skilled workforce will serve all members who commit to its future in a positive way.

Thanks to you members for carrying on the high quality, that we retirees helped pass on.

One big overlooked thank goes to you Local 32 members and Penny for the snacks and cookies that are provided for us at our meetings. Come join us for our next meeting on Wednesday, September 10th, at 2PM.
