Dear Brothers and Sisters,

It's hard to believe that summer is almost gone! Classes for Apprentices will be starting soon. Work at the Data Center is starting to roll in as well as other projects coming soon. It's a great time to be a Local 32 Electrician!

Make sure you Save-the-Date for the Annual Labor Day Parade and Cook-out. This year the parade will fall on Monday, September 7th. We will provide the meat; you can bring a side dish or dessert. Bring your family for what is always a fantastic time! We look forward to seeing everyone and their families at this year's Labor Day Parade. If you have a trailer that you can pull in the parade, we would appreciate your help. Please call the hall and let us know if you can bring a trailer.

October 19th will bring the vote on the allocation of the raise. We strongly urge all members to attend this important meeting. The Union works best when we all participate.

"Brotherhood means standing together so firmly that no one stands alone in the storm."
