TRAINING DIRECTOR'S REPORT

A new Apprentice class is starting soon! This will be the largest Apprentice class we have had. Please welcome these new Apprentices and share your knowledge with them as they learn the trade.

I look forward to seeing everyone at the Labor Day Parade this year on September 7th. It's always a great time and gives all our new members a chance to meet others.

As always, if you have any ideas or suggestions, feel free to contact me.

The Ole' Guys

I know many of you retirees may be tired of hearing the same things regarding the retirees in this space. I might suggest that those of you who haven't attended a meeting of the retirees join us once to see the true enjoyment of renewing old acquaintances and stories. It is hard to share the true joy and camaraderie of the short time we share together in this column. Come join us on Wednesday, September 9th at 2PM and share a thought, a story or meet an old friend. You will enjoy it.

A reminder, to stay involved and informed in local and national events and be sure you are **REGISTERED TO VOTE**.
